250 Men Wanted At Laymen's Service At 11:00 A- M. Sunday

Next Sunday is to be a good day in our church.

Wanted: 250 men in church Sunday morning. You can be one of these.

Southern Baptists have designated Sunday, April 5th, as Laymen's Day. Some outstanding laymen are to speak at the eleven o'clock hour on Sunday morning. We have secured the services of Judge Clyde Garrett, of Eastland, to speak in our church. I have known Judge Garrett all my life and I am glad he is to be with us. You will like him and his message will be a blessing to everyone who hears him. We want at least 250 men in the morning service. We are going to ask that the men be seated together and the center seats in the church will be reserved for them. We want our women to bring their husbands, their sons, their brothers and their sweethearts. We want the children to bring their father and if we all work at the job, we will have 250 men.

B. T. U. TRAINING SCHOOL

Most of you know we have been planning for several weeks for our Training School. This will begin Sunday night and go through Friday night.

You will be glad to know that we are to have back again our very own Mrs. R. H. Rogers (Grace Conn). She is bringing her young son to assist her this time. Grace, as so many of us know, has been here a number of times and we are all happy for her to come again. She will speak to the church at the evening hour.

Miss Eunice King, of Sweetwater, will teach Intermediates. She is educational director of the First Baptist Church there. Our Intermediates will like her and we want 50 or more in her class.

Mrs. Roberts, of our own church, will teach Juniors. They already like her and we hope to have 50 Juniors present.

We are asking Mrs. Mathis and Mrs. Dobson to teach Primaries.

Nok, let us all pull together and make this the best week of our history.

Yes, we want 250 men in our church service Sunday morning and we want 400 men, women and children in Sunday School with 150 in B. T. U.

J. HENRY LITTLETON,
Pastor.

Purchased friendship isn't worth the price.

FAREWELL PROGRAM

FOR NAZARENE PASTOR

On Friday evening of March 27th, fifty-three persons, members of the Nazarene Church, gathered at the pastor's home and pounded the pastor and family, and rendered a simple, short, but beautiful farewell program, which was and is deeply appreciated by both pastor and family.

The following program was rendered:
Congregational Song, "What a Friend We Have In Jesus"
Prayer—Mr. Smith.
Talk—Mrs. J. W. Wendel.
Solo, "When I Make My Last Move"—Mrs. O. O. Johnson.
Talk—Mr. Durwood Mizell.
Duet, "The Old Rugged Cross"—Avalene Murphree and Gladys Harris.
Talk, "Appreciation of Our Pastor"—Mrs. W. H. Wendel.
Talk—Mr. J. R. Bull.
Response by the Pastor.

After which refreshments were served to all the guests, and a delightful time was had. An unusually large pounding was placed on the dining room table, which was greatly appreciated, but the spirit of the meeting rejoiced the hearts of the family more than all else.

Rev. V. B. Atteberry, of Abilene, will fill the pulpit Sunday morning.

EXPRESSION OF THANKS

We wish to take this method of thanking our friends for their many acts of kindness shown us during the illness and at the time of death of our dear husband and father.

We also extend our sincerest thanks for the beautiful floral offerings.

Thank each and everyone who had part in tenderly placing him to rest.

May the Comforting Spirit abide with each of you is my prayer.

MRS. JIM B. MILLER
and Children.

FOR TRADE

I wish to trade for milch cow, a good two row cultivator and a good wagon.

JONES COUNTY SECOND IN COTTON

The final figures for the 1935-36 cotton crop are out from the Government office. It shows that Jones County stands second for the entire state.

NUECES County stands first with 88,083, with 55,811 for the 1934-35 year.

JONES COUNTY stands at 67,790 bales as compared with 24,493 for the previous year.

Here is the way the report scales downward:

Nueces County	88,083
Jones	67,790
McLennan	52,556
Navarro	52,288
Ellis	51,710
Hill	51,305
Lubbock	49,180
Lynn	46,649
Williamson	45,587
San Patricio	43,587
Haskell	41,717
Runnels	40,261

OTHER WEST TEXAS COUNTIES

Bailey	14,092	Baylor	12,455
Briscoe	14,021	Taylor	31,500
Stonewall	11,089	Fisher	28,059
Nolan	18,627		

It will be recalled that many thought the government cotton regulations cut Jones County lower than it should have been cut last year, and notwithstanding the severe cut she took her rightful place. This County is far inland, far to the west and north, and subject to more hazards than the coast county that beat her. Her production shows a high percentage of good lands, fertile and productive.

AMERICAN LEGION BANQUET HELD

Last Monday evening at eight o'clock a number of ex-service men met around a sumptuous banquet table in the Model Hotel for the purpose of electing officers and discussing future plans for the Keifer Patterson Post of the American Legion at Hamlin. The two honor guests present were District Commander L. S. Daniel and wife of Abilene.

After the contents of the table had been comfortably surrounded, the business session got under way with Mayor Culbertson as Master of Ceremonies. Commander Daniel was introduced and made an interesting talk on the various activities of the Legion in Texas. He dwelt at some length on the Hospital Facilities for Veterans in Texas. It was indicated that an effort would soon be made to secure a Government Hospital for this section of Texas.

There followed a few brief talks by various comrades which soon led up to the report of the nominating committee. The following officers were elected for the year:

IRA A. CLEMENTS, Post Commander;
V. W. DAY, Post Adjutant;
W. L. Fletcher Jr., Service Officer

We have enlisted a goodly number of new members already this year and feel sure there are many others who would like to come in at an early date. We welcome every veteran to our regular monthly meetings which are set for 12:00 noon at luncheon each third Monday in the banquet room of the Model Hotel. Especially do we hope to see you there Monday, April 20th, our next meeting day. There will be much to be discussed as well as to eat.

REVIVAL WILL CLOSE SOON

We are now rapidly approaching the last day of our revival services. The hospitality shown our visiting ministers by the arrangement committee, those into whose homes they have gone, members of other congregations, and, in fact, the entire community, you have been very kind in the expressions of appreciation of the work they are doing. As a Methodist congregation, we have indeed heard again the rich messages sounding forth the abundant grace taught by the Wesleys and their associates. The large congregations at night have been inspiring and the morning messages have been heard with appreciation and much benefit. It is much easier to be a good entertainer and listener than it is to be a good soldier. The soldier's life is one of sacrificial service for others as well as one own betterment. Jesus was perturbed with the type of mind that sought to be advantaged by his sacrificial life without being obligated to emulate Him in the life of sacrificial service. They liked the "Loaves and fishes" that were prepared and served gratis. May we be delivered from desiring too easy a way into heaven, but may it be ours to follow Him in humility, and loving kindness that calls for sacrifices.

Tonight is the last service this week. No services, morning or evening, Saturday. Sunday will be a day as each service will be of special interest. 11:00 A. M. Dr. Callis will use as his subject: "He Did It." At 3:00 P. M. a "Great Mass Meeting," singing and preaching. A great message on "The Last Round-up." The closing service will be at 7:45 P. M. when Dr. Callis will preach on, "He Didn't."

May we continue the fine cooperative spirit throughout the day and close with our hearts "Strangely Warned" by the presence of the Holy Spirit richly enthroned in our heart life.

H. A. LONGINO, Pastor.

Mr. and Mrs. W. S. Carter and little son, James Wilson, returned last week from a visit with relatives in Greenville and Lake Dallas. Mr. and Mrs. Carter live on Route 3, on the Phillips farm. TANGIBLE RESULTS OF NEWSPAPER ADVERTISING

Tangible evidence that the Continental Oil Company's heavy use of newspaper space in its marketing territory during 1935 was a sound advertising move is indicated in the

figures of the Company's annual report for 1935 just issued.

These show that the Company increased the volume of its general business as well as its profits, and that it enjoyed a notable gain in the sales of its patented "germ-processed" motor oils. This product, which was especially stressed in the Company's advertising, had an in-

crease in sales of over 14 per cent, in comparison with figures for the previous year.

Continental recently announced that it would again expend the larger part of its 1936 advertising appropriation for newspaper space.

Don't send yourself anywhere C. O. D.

Miss Billie Birdwell, of Abilene, came over Monday to visit her sister, Mrs. W. L. Fletcher Jr. and aunt, Mrs. L. S. Magee.

"Judge" J. B. Blocker and his wife of Christoval, were up for a short visit Saturday and Sunday. Mr. Blocker is Justice of the Peace in his community.

It's the human ★ thing to do! ★

While it is necessary that any business, to continue to live, must earn a profit, this Company holds that it is not necessary for that profit to be counted in dollars and cents alone.

The Duncan Coffee Company believes that over and above a modest financial profit, its largest contribution to the community has been and continues to be measured by the human happiness it has promoted in substituting the work of human hands for the work of machines.

Three years ago, at the depth of the depression, the company discarded all machines in its packing and shipping departments, and employed men and women to do the work that had previously been done by machines. The machines are still "out." That action by this

Company undoubtedly helped to turn the tide from depression toward prosperity.

The consuming public responded to the humanitarian effort of the Company by buying more and more of its products, thus making possible still larger payrolls.

While many employers have, in recent months, decreased rates of pay and lengthened the work day of their employees, the Duncan Coffee Company still adheres to the scales and the hours established under the N. R. A., which is another factor in the popularity of its feature products ADMIRATION and BRIGHT & EARLY Coffees.

The Company renews its covenant with the public, to use all possible human labor at a living wage for reasonable hours of work.

Farmers Co-Operative Gin at
Neinda Closing Great Year

Manager Fleet W. Poe, of the Farmer's Co-Operative Gin at Neinda, is closing a very successful year—their seventh at Neinda.

Mr. Poe submits the following interesting figures: Ending the season early in 1936 with a total of 3636 bales. A kind of 1936 Centennial figure, you see. 3,636 bales of cotton for this one community is not so bad, and yea Neinda is in the SECOND HIGHEST cotton producing county in Texas. Neuces County only, exceeding Jones.

This ends the SEVENTH year for the Farmers Gin at Neinda. It finds the membership in good condition.

ANNUAL MEETING SATURDAY

This Saturday at the school auditorium, Mr. Poe is calling for a

meeting of their 200 stock-membership holders. At this meeting a report of the year will be given and benefits figured out and distributed. Mr. Poe says that \$9,000.00 will be distributed to the membership. This amount will not permit as large return to the farmer per bale as last year or other years, but a larger reserve fund is being retained with which some of the best and latest gin machinery will be purchased before next season.

At the meeting this Saturday at 2:00 P. M. two new directors will be elected. The present Directors are Fleet W. Poe, C. R. Tarver, T. O. Young, C. E. Young, H. Feagan, and Jett Milsap. One director, Uncle Bud Smith died during the year. The Neinda Co-Operative gin was perhaps the second in Jones County. The first being at Anson.

Mrs. Stephenson and Roland were dinner guests of Mr. and Mrs. Virgil Steele, Saturday.

Mr. and Mrs. Bob Meeeks and family and Willie Lambert spent Sunday with Mr. and Mrs. J. T. Rhon.

Sunday at noon Misses Odell Abbott and Laverne Parker were driving down the highway in Miss Abbott's Ford coupe, with Miss Abbott driving. She reached down to adjust a jar of milk on the floor of the car. The car left the highway, and hit a concrete bridge. Laverne was unable to be in school Monday as she was not seriously injured, but Odell's chest was crushed badly, and we hope she will soon be all right.

Wedding bells rang out Saturday night in our community. Miss Lorena Reynolds, of McCaulley, and Jim Brown of Neinda, were united in marriage with the Baptist Pastor, Rev. J. P. Hardesty, performing the ceremony. We wish this couple

many years of happiness.

IN MEMORY OF DADDY
(By a Daughter)

Dear Old Daddy, how we miss you,
How we long to see you smile.
But 'twas God's will that He called you

Over to the golden strand.

Yes, Dear Daddy, we'll always miss you,

Always miss your loving cheer.

In your home there's always sorrow
For there's your old vacant chair.

But we'll live to meet up yonder,
Where God's everlasting love and care

Dóth abide with all his children,
And there'll be no parting there.

Dear Old Daddy, how we loved you,
How we wish that you were her.
But 'twas God's will that he called you,

So we'll plan to meet you there.

We know God's will is always better,
Although sometimes we can't see
Why he took our own sweet Daddy,
When He could have taken me.

Yes Daddy, we'll meet you and Jesus,
Also the mighty happy crowd.
And how happy will be your children
To see you wearing a golden crown.

Dear Old Daddy, we are coming,
Coming home some day to stay,
Where there'll be no heartaches or sighings
Nor there'll be no good-byes to say.

TO DELINQUENT CITY TAX PAYERS

MARCH 31st, 1936 IS DEADLINE FOR PAYING CITY TAXES WITHOUT PENALTY AND INTEREST.

We have been very lenient with delinquent tax payers in the enforcement of collections and the remission of penalty and interest, but we are now confronted with the necessity of raising more money in order to carry on the City Government.

We do not want to be unduly harsh on any one but these delinquent taxes must be paid.

Arrange to pay your city taxes now and save the penalty and interest, also save the city the expense of employing a Tax Attorney.
